This product(s) is being provided to the recipient pharmacy as an active pharmaceutical ingredient(API(s)). It is the responsibility to the pharmacy to abide by all applicable Federal and State laws, as well as professional guidelines and standards, in the processing, utilization and distribution of the API(s). In particular, the pharmacy is advised of Compliance Policy Guides issued by the FDA in connection with pharmacy compounding, and of its obligation to abide by the rules of the FDA in connection with any such activities.

THANK YOU
